

## Amāna Takaful ties up with eZ Cash

Amāna Takaful, recently awarded “Best Islamic Finance Service Provider for 2013” by IFM (International Finance Magazine), inked an agreement with Dialog eZ Cash which will give their Life policy holders the convenience to pay insurance premiums at any of the 14,000 plus eZ Cash merchants spread across the island.

The new partnership between eZ Cash and Amāna Takaful will give the customers flexibility to make their insurance payments directly from customer’s eZ Cash wallet via a Dialog mobile as well.

Amāna Takaful customers can also make premium payments from any part of the country minimizing the need to visit a branch office or bank to pay premiums.
